

Are You Ready For The VSP Changes?

Join Our Webinar to Learn More!

As the largest independent lab network, Walman Optical is here to continue to be your lab of choice for VSP work and we are enabled to do all major lens brands and coatings in-house. With the September 1st changes just around the corner, we are focused on finding you the right product mix that helps your practice grow and increase your profits.

On August 13, we will be discussing the changes to VSP formulary on September 1st with our managed care expert Kelli Koenigsberg. Additionally, we will go over your options to maximize your profitability within your VSP product mix.

Register today for either session on www.ecpadvantage.com!

Thursday, August 13
11:00am - 12:00pm CST

Thursday, August 13
2:00pm - 3:00pm CST

Your Options as of September 1, 2020

OPTION 1

Use preferred lens vendor brands and preferred non-glare brands

OPTION 2

Use preferred lens vendor brands and non-preferred non-glare brands

OPTION 3

Use non-preferred lens vendor brands and non-preferred non-glare brands

Your Walman Optical account manager is equipped with everything you need to evaluate your current product mix and the effects the changes will have on your profits. Together, you can work to find the best solution for your practice moving forward.

Ready to get started today?

Contact your Walman Optical account manager to get the full guide on the changes and your options, with a profitability calculator.

Focused on your success.
